POLICY

Delacombe strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Delacombe Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Delacombe Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Delacombe we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Delacombe Primary School will:

- ensure that all students and members of our school community are treated with respect and dignity
- ensure that students are not discriminated against and where necessary, are accommodated to participate in education and all school activities (eg schools sports, concerts) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students.
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, harassment and other forms of inappropriate behaviour targeting individuals because of their personal attributes will not be tolerated in our school community. Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Delacombe Primary School will take appropriate measures, consistent with its Student Wellbeing and Engagement and Bullying policies and its Inclusive Strategies to respond to discriminatory behaviour or harassment at our school.

Delacombe Primary School also understands that it has a special obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. For more information about support available for students with disabilities, please refer to our school's Student Wellbeing and Engagement policy or contact the Principal for further information.
